About This Game

From **Blam! Games**, makers of the *Punished Talents* and *Fierce Tales* series, comes an all-new *European Mystery* to solve!

A strain of toxic flowers has surfaced in the Netherlands, attacking locals and pulling them into lifeless comas. After being summoned to investigate this strange situation, you quickly realize that the plants aren't the only sinister thing happening in the city. Some of the city's most prominent citizens have been involved in shady dealings... and they might just be the cause of the horticultural horrors. Can you find the root of the mystery and stop the fatal flowers before falling victim to them yourself?

Find out in this thrilling Hidden Object Puzzle Adventure game!

This is a special Collector's Edition release full of exclusive extras you won't find in the standard version. The Collector's Edition includes:

- Investigate mysterious poisonous plants throughout town
- Rescue an American colony in the bonus game
- Collect morphing flower cards to unlock a secret room
- Extras include: music, art, wallpapers, and videos
- Love mini-games? Replay your favorites in the extras

This is a Hidden Object Puzzle Adventure game, meaning a specific genre of story-driven, point & click adventures. Throughout the game, players are tasked to find a list of objects hidden within a particular scene, and to occasionally complete various mini-games/puzzles.
