About This Game

In the game you need to help survive the four characters who linger on this terrible night at work. Use individual weapons for killing and order additional weapons and protection from the "arms dealer". You have to reflect the advancing hordes of zombies, wave after wave. Between repelling attacks, you can replenish weapons, restore health, set up barriers, traps, and think up tactics to repel the next attack.

Game features:

- different locations and characters
- a lot of zombies
- high rhythm game
- skeletal physics zombies
- great soundtrack

Good luck to survive! And enjoy the game!
